

Arrivals and Departures

PlaySport recognises the importance of having robust systems in place to ensure the safe arrival and departure of the children in our care.

The manager will ensure that an accurate record is kept of all children in the club, and that any arrivals or departures are recorded in the register. The register is kept in an accessible location on the premises at all times. In addition, we conduct regular headcounts during the session.

Escorting children to the Club

PlaySport and the school/setting have a clear agreement concerning the transfer of responsibility for children's safety.

We have risk assessed the route used to escort children to the session and review it regularly.

The school and **PlaySport** keep an identical register of children who require escorting between locations which is updated daily.

Children will be escorted to the setting/meeting point by teaching staff at the school.

Two members of staff will be at the setting to greet the children at the club

If a child is booked into the session but is not at the collection point, we will check whether the child was present at school that day. If the whereabouts of the child is not known, staff will immediately inform the designated contact at the school and ask the school to implement its **Missing Child** policy.

Arrivals

Our staff will greet each child warmly on their arrival at the session and will record the child's attendance in the daily register straightaway, including the time of arrival.

Departures

Staff will ensure that parents or carers sign children out before they leave, including the time of collection.

Children are collected by an adult who has been authorised to do so on their registration form.

In exceptional circumstances, if the parent requires another person who is not listed on the registration form to collect their child, the child's parents or carers must inform a member of **PlaySport** staff in advance and provide a description of the person and a password that they will use. If the manager has any concerns regarding the person collecting he/she will contact the main parent or carer for confirmation.

The parent or carer must notify **PlaySport** if they will be late collecting their child. If we are not informed, the **Uncollected Children** policy will be followed.

Children over the age of eight will only be allowed to leave the club alone at the end of the session if the club has discussed this with the child's parents and has received their written consent.

Children below the age of eight will not be allowed to leave the club unaccompanied.

Absences

If a child is going to be absent from a session, parents must notify **PlaySport** in advance.

If a child is absent without explanation, staff will contact the parents or carers and the school to check where the child should be. If staff still have concerns about the child's whereabouts after attempts to contact the parents and the school the manager will contact the police.

PlaySport will try to discover the causes of prolonged and unexplained absences. Regular absences could indicate that a child or their family might need additional support.
